

EW3925

Power Strip with Surge Protection

Protect your valuable equipment!

- 6 outlets with 45 degrees angle (Schuko and Italian version)
- Protection: Surge protection, Child protection
- Cord length 1.5m
- Power switch with light

DESCRIPTION

This Ewent Surge Protector with VDE plug provides premium power protection for computers, audio/video equipment and other household devices. The surge protector has six outlets for connecting electronic devices. Its slim, sleek design blends seamlessly with today's modern electronics and appliances. Nothing to worry about, with the built-in child protection. It is enough to connect it to the UPS and the connected electronic devices will be supplied with energy also in case of a power failure.
