DESCRIPTION

Create an ergonomic and space-saving work environment by using the Ewent EW1510 LCD Desk Mount. Place your monitor to your ideal height and viewing angle for a better posture and thus avoid back, neck and shoulder complaints. The Ewent EW1510 Desk Mount is suitable for screens up to 34 inch and is easy to attach to your desk via a clamp or grommet mount.

Reduce the risk of back and neck strain

The EW1510 is easy adjustable in height and depth without tools by its convenient lever screw system. Tilt, swivel and rotate your screen to create an ideal ergonomic work space to reduce the risk of neck and back complaints. Cables are kept out of sight thanks to the cable management system.

With convenient monitor mounting system

The Ewent EW1510 has three pivot points for setting the ideal viewing distance. The Ewent desk mount is suitable for one screen up to 34 inch with a maximum weight up to 9kg. The EW1510 is fitted with 75x75 mm and 100x100 mm VESA mount. The easy mounting system makes it possible to attach a monitor to the desk mount all by yourself. The Ewent EW1510 comes with all mounting gear for both clamp and grommet mount.

Note:

Thank you for choosing our product. To ensure a safe and optimal installation of your television, we kindly ask you to pay special attention to VESA compatibility and the weight of the device.

VESA Compatibility: Ensure that your television is compatible with the VESA standard specified in the mounting instructions. Check the dimensions of the mounting holes on the back of the TV and compare them with those of the wall mount or floor stand you intend to use.

TV Weight: Carefully check the weight of your television and compare it with the maximum load capacity of the chosen mount. It is essential to follow the instructions provided in the assembly manual to avoid damage to the device and ensure your safety.
