- Clamp mount and grommet mount included for attaching to and through a table
- 3 pivot points to get the best viewing distance
- Convenient screen adjustment: tilt/rotate/swivel
- Prevent neck- and back complaints with this ergonomic desk mount

#### DESCRIPTION

Create an ergonomic and space-saving work environment by using the Ewent EW1512 Dual LCD Desk Mount. Place two screens to your ideal height and viewing angle for a better posture and thus avoid back, neck and shoulder complaints. The Ewent EW1512 Dual Desk Mount is suitable for screens up to 32 inch and is easy to attach to your desk via a clamp or grommet mount.

Reduce the risk of back and neck strain

The EW1512 is easy adjustable in height and depth without tools by its convenient lever screw system. Tilt, swivel and rotate your screens to create an ideal ergonomic work space to reduce the risk of neck and back complaints. Cables are kept out of sight thanks to the cable management system.

With convenient monitor mounting system

The Ewent EW1512 has three pivot points per monitor for setting the ideal viewing distance. The Ewent desk mount is suitable for two screens up to 32 inch with a maximum weight up to 8kg each. The EW1512 is fitted with 75x75 mm and 100x100 mm VESA mount. The easy mounting system makes it possible to attach two monitors to the desk mount all by yourself. The Ewent desk mount comes with all mounting gear for both clamp and grommet mount.
