- Noise cancelling microphone with 3.5mm jack and microphone sensitivity control, perfect for voice recording and video meetings
- Adjustable stand with integrated microphone clip and non-skid rubber feet for more stability
- Plug and play: no drivers and additional power supply needed
- Extra-long cable: 2 m
- Audio adapter cable enclosed for connecting mobile devices like laptops, tablets and smartphones

DESCRIPTION

The Ewent Multimedia Microphone with microphone sensitivity control is perfect for video meetings, vlogging and podcasting. Place the microphone in the adjustable stand with non-skid rubber feet for handsfree communication. The EW3552 is a plug and play device. No drivers and additional power supply is needed. The Ewent Multimedia Microphone is fitted with an extra-long cable and mini 3.5mm jack. Additionally, an audio adapter cable is enclosed. With this cable you can connect the microphone to mobile devices with only one audio connection like laptops, tablets and smartphones.
