- Programmable via Windows software
- Always up-to-date thanks to free daily updates

DESCRIPTION

Do you want to replace the remote control of your television or do you want to use one remote to control 4 A/V devices? The EW1570 4 in 1 Universal Remote control is designed for controlling 4 different AV devices with only one remote control. You can think of TV/DTT/SAT/STB/DVD/VCR/Blu-ray/Projectors/Soundbar/Multimedia Hard Disk/Hi-Fi devices. Program the EW1570 4:1 Universal Remote Control easily via your Windows PC with the enclosed micro USB to USB cable. The remote control includes all functions of the original remote control thanks to the individual key assignment. The permanent memory of the remote control ensures that the codes will be saved during battery replacement.
