- Screens: LCD, LED, TFT up to 27 inch and 7kg each with VESA 75x75 and 100x100

DESCRIPTION

Create an ergonomic and space-saving work environment by using the full metal EW1513 Desk Mount for 3 monitors. Place three screens to your ideal height and viewing angle for a better posture and thus avoid back, neck and shoulder complaints. The EW1513 Triple Desk Mount is suitable for screens up to 27 inch and 7kg and is easy to attach to your desk via a clamp mount or grommet mount.

Reduce the risk of back, neck and shoulder strain

The EW1513 is easy adjustable in height and depth without tools by its convenient lever screw system. Tilt, swivel and rotate your screens to create an ideal ergonomic work space to reduce the risk of neck, back and shoulder complaints. Cables are kept out of sight thanks to the cable management system.

With convenient monitor mounting system

Adjust the 3 monitors to your wishes by setting the ideal viewing distance. The desk mount is suitable for three screens up to 27 inch with a maximum weight up to 7kg each. The EW1513 is fitted with 75x75 mm and 100x100 mm VESA mount. The easy mounting system makes it possible to attach three monitors to the desk mount all by yourself. All mounting gear for both the clamp and grommet mount is enclosed.
