

## EW2526

### Notebook Backpack 15.6 inch with USB Outlet

Notebook backpack for everyday use

- Backpack suitable for notebooks up to 15.6 inch with USB outlet for charging your smartphone or tablet
- Separated notebook compartment; additional compartments to store your accessories and outer pockets for your water bottle.
- Ergonomic adjustable shoulder straps and padded back panel for better comfort; including trolley strap and adjustable chest strap
- Adjustable compression straps for optimal stability and flexibility

#### DESCRIPTION

Protect your notebook with the Ewent EW2526 15.6 inch Notebook Backpack. The EW2526 is equipped with a USB outlet for charging your smartphone while using it. Store a power bank inside the backpack and connect it to the outlet with the build-in USB cable. The backpack has ergonomic shoulder straps, padded back panel, compression straps and a trolley strap.

Organize your backpack with the separated compartments

The separated notebook compartment protects your notebook up to 15.6 inch against damages. The Global Backpack is equipped with special compartments for your tablet, documents, power adapter, mouse and other peripherals. Even your water bottle can be stored in the outer pockets.

USB outlet for charging your smartphone

The backpack has an integrated USB outlet for charging your smartphone. Connect a power bank to it and store the power bank in the bag. Take the charging cable of your mobile devices and connect this cable to the USB outlet. You can charge your smartphone while you are on the go.

Designed for daily use

The Notebook Backpack is designed for daily use thanks to the padded back panel, adjustable shoulder straps, compression straps, trolley strap and adjustable chest strap.
