

## EW1576

# Remote Control for LG, Samsung, Sony, Panasonic and Philips Smart TVs

Control your TV with ONE remote control

- Remote control for all LG, Samsung, Sony, Panasonic or Philips TVs and (Smart) TVs produced after the year 2000
- Includes all functions of the original remote control including the Smart TV and 3D functionalities
- Ready to use: no programming needed

### DESCRIPTION

Control your LG, Samsung, Sony, Panasonic or Philips (Smart) TV with the EW1576 Remote Control. The remote control works without programming and includes all functions of the original remote control of your LG, Samsung, Sony, Panasonic or Philips television. This means that you can make use of all functionalities of your (Smart/3D) TV. The remote control also has a Net TV and a Smart Video button for direct access to two video streaming services.
