

## EW1243

### Wedge Notebook Lock with number combination

- Universal and easy to use with any laptop and desktop with a built-in Wedge security slot (3.2 x 4.5mm)
- 4-digit combination lock
- Ideal for the office and public areas
- Strong locking device featuring a 1,5m steel cable

#### DESCRIPTION

The EW1243 Wedge Notebook Lock protects your notebook and your desktop from theft. It works like a lock for bicycles. Just roll the steel cable of 1.5 meters around an immovable object such as a wall, radiator or desk, and finally compose a combination of numbers for the activation of the block.

Your vacation photos, important documents and your favorite music will be safe thanks to the Ewent security lock. Use the lock in private areas like the office and in public areas like stores or trade fairs.

<b>Protect</b> your laptop from theft	<b>Wedge Laptop Lock</b> 2.2 x 4.5mm	<b>Number Combination</b> 4 Digit	<b>1.5m</b> Length
---	---	--	-----------------------

**Setting your own combination**

1. Turn the Dials to the factory preset combination 0-0-0-0.
2. Turn the Reset Button 90° clockwise with a small flathead screwdriver or similar tool.
3. Turn the Dials to set your own desired combination.
4. Turn the Reset Button 90° counterclockwise back to its original position. Your lock is now ready to open at its new combination.

Keep your combination in a safe and accessible place for future reference.
