Silent Click Wireless Mouse with Combo USB A+C Receiver and Precision 1000dpi Sensor

- Ergonomically designed wireless mouse for comfortable usage during extended periods
- Enjoy a quieter environment with silent clicks, reducing excess noise for enhanced concentration
- Achieve precise cursor control with DPI settings up to 1000, perfect for both work and leisure activities
- Versatile combo USB-A and USB-C nano receiver ensures hassle-free connectivity with various devices
- Intelligent power-saving feature with an On/Off switch maximizes battery life, promoting prolonged usage without interruptions

DESCRIPTION

Experience unparalleled comfort and precision with our Silent Click Wireless Mouse, designed for both work and play. Engineered with your convenience in mind, this mouse features a host of advanced specifications:

Ergonomic Design

The wireless mouse is crafted to ensure maximum comfort during extended periods of use, reducing strain and enhancing productivity.

Silent Clicks

Enjoy a quieter environment with silent clicks that minimize noise, allowing you to concentrate better without disturbing those around you.

Precision 1000dpi Sensor

Achieve precise cursor control with adjustable DPI settings up to 1000, making it ideal for a variety of activities, from detailed work tasks to casual gaming.

Versatile Connectivity

The combo USB-A and USB-C nano receiver offers seamless connectivity with a wide range of devices, ensuring hassle-free usage no matter what tech you're using.

Intelligent Power-Saving

Equipped with an On/Off switch, the intelligent power-saving feature maximizes battery life, allowing for prolonged usage without frequent interruptions.

Upgrade your workspace with the Silent Click Wireless Mouse, the perfect blend of comfort, precision, and silent operation.

TECHNICAL

- Optical sensor: 1000 DPI
- Connection: Wireless 2.4Ghz USB-A+C nano receiver
- Buttons: 3 buttons and scroll wheel
- Energy saving: Automatic standby, On/off switch
- Material: ABS
- Battery: AA battery (included)
- Dimensions: 100x58x38
